All correspondents must be addressed to:
"The Municipal Manager"

**EXTERNAL ADVERT
INFRASTRUCTURE & TECHNICAL SERVICES
MIG PROGRAMME**

The municipality would like to invite submissions for pricing from local SMME's on the following project:

REFURBISHMENT OF BOREHOLES AND INSTALLATION OF A WATER TREATMENT PLANT

The priced Bill of Quantities (BOQ) must be submitted with the following documents:

- Company registration certificate/Ck
- ID copies of company director/s
- Company profile
- CIDB Level: 1CE or higher certificate
- Central Supplier Database Report (CSD)
- Valid Tax Clearance Certificate
- BEE Certificate/Affidavit
- Proof of Banking Account (Confirmation Letter)
- Proof of Address/Residence (Redirile/Derby)
- CVs and Certified Qualifications of the Construction Team

Please note that evaluation of the bid documents will be handled by the appointed service provider (One Line Project Solutions) and the Municipality will not form part of the processes leading up to the appointment of any successful bidder/s.

The scope of work will entail the following:

- Site clearance
- Excavations for foundation
- Backfilling, compaction and testing
- Installation of reinforcement
- Pouring of concrete
- Construction of walls
- Installation of precast concrete roof

All enquires must be addressed to Ms Mulalo Budeli via email only: mulalo@onlineprojects.co.za

The closing date for submission is **Friday the 28th February 2025 at 12h00.**

Documents must be submitted at the contractor's site office in Redirile, Derby for the attention of Ms. Mulalo Budeli.

The Excel format of the BOQ will be made available electronically on request via email, alternatively it will be available from the contractor's site office during office hours.

Mr AE PHOLOSE
ACTING MUNICIPAL MANAGER

Upon a written request made within seven days after date appearing on this letter, a similar letter will be forwarded in the other official language, if so desired.
