**PUBLIC NOTICE**

**WATER SUPPLY INTERRUPTION IN KOSTER AND REAGILE**

The Kgetlengrivier Local Municipality hereby informs all residents and stakeholders of a water supply interruption affecting the Koster and Reagile areas. This disruption is due to a pipe burst on the Koster dam line.

Repair work has been delayed due to persistent rainfall over the past few days, which has affected access and operations. However, the technical team is working diligently to resolve the issue.

Water supply is expected to be restored by the 07 May 2026.

The municipality apologizes for any inconvenience caused and appreciates your patience and understanding.

**For any information regarding service delivery, call the Municipal Customer Care @ 082 926 3065/ 063 771 077.**
